Placement and Training Program Report for II BCA Students (29-05-2023 to 31-05-2023)

****DAY 1 - Inauguration (29-05-2023):****

The Placement and Training Program for II BCA students commenced on May 29, 2023, with an inaugural ceremony. The event was graced by Prof. Harish, Principal of The Yenepoya College, Mr. Karthik as the resource person, Prof. Rajkiran Shetty (Placement Coordinator, YIT), and Prof. Shivaprasad (Placement Coordinator, TYC). Asna from II BCA served as the Master of Ceremonies. Prof. Harish delivered an inspiring inaugural address, setting the tone for the program. Subsequently, Mr. Karthik conducted engaging sessions on various soft skills crucial for job interviews. The students gained valuable insights into soft skills applicable to both professional and personal spheres.

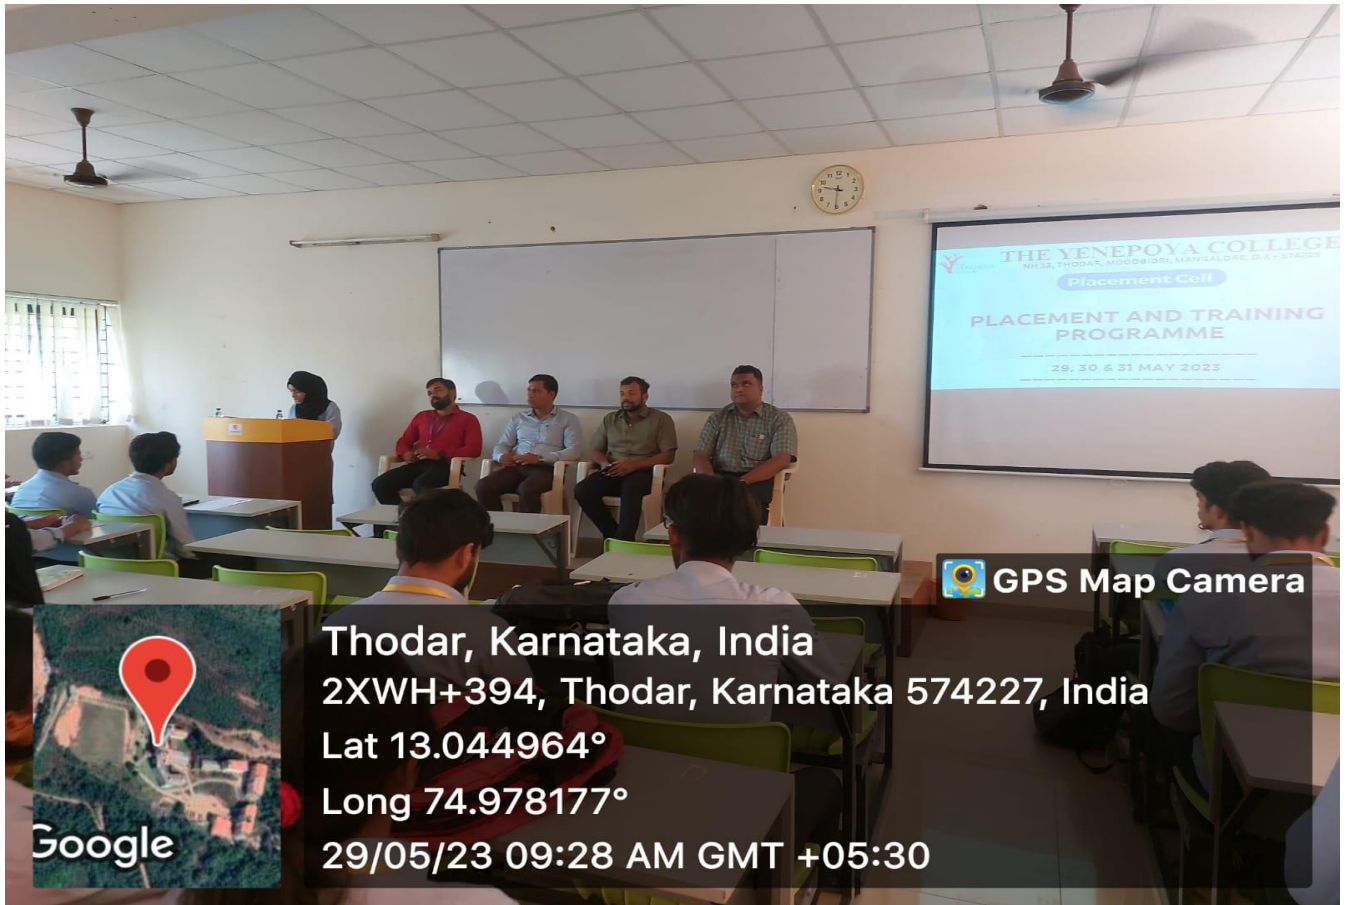

****DAY 2 (30-05-2023):****

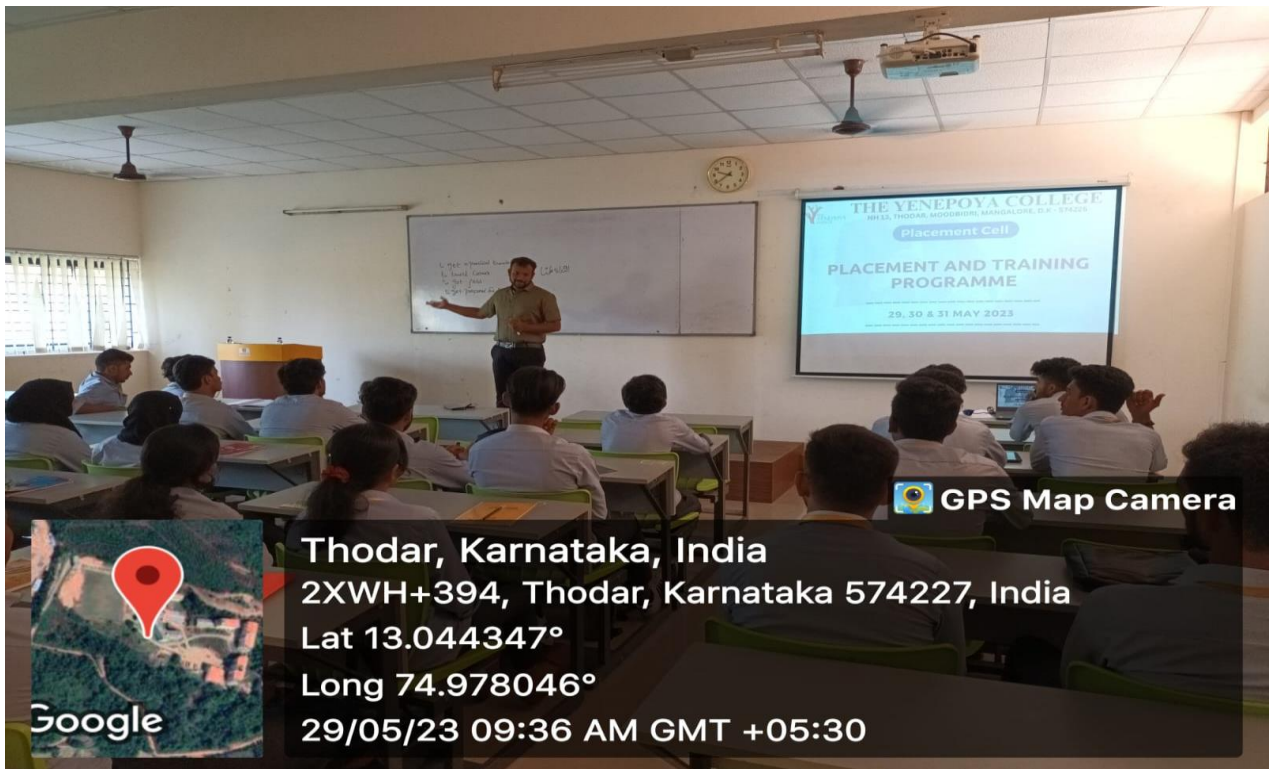

On the second day of the program, Mr. Karthik delved into practical aspects, providing insights into crafting effective resumes. Additionally, he covered a spectrum of aptitude and reasoning strategies, including topics such as number systems, logical reasoning, data sufficiency, blood relationships, mapping, speed, time and distance, averaging, tabulation, and more. The day also featured lessons on presentation skills, equipping students with the ability to articulate their ideas effectively.

****DAY 3 (31-05-2023):****

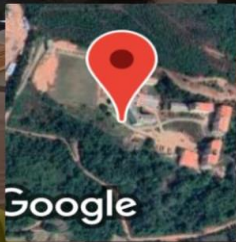

The final day of the training program focused on honing verbal skills and grammar. In-depth sessions were conducted on topics such as nouns, verbs, passage reading, question tags, and jumble segments. These sessions enhanced the students' understanding of language and communication, essential aspects in the professional world.

Overall, the Placement and Training Program proved to be a comprehensive learning experience for II BCA students, bridging the gap between academic knowledge and real-world application. The guidance provided by Mr. Karthik and the collaboration of college authorities ensured the success of the program, preparing students for their future endeavors.
